

Kindergarten Weekly Letter Mar. 5-9

Language Arts

We will be working on sounding and blending words. We will review the blends "ck, ch, th, sh, ng". Please listen to your child read!

Mathematics

We will be working on numbers 11-20. We will learn to decompose numbers 11-19 into "ten and some more".

Science/Social Studies

We are learning about people and places in our community.

Words to Recognize:

are
for
you

Upcoming Events

Mar. 8- Spring Pictures!

We will be sending information about the Science Fair. Please consider helping your child to do a project.
